

Simply ask your friends & family to sponsor you per run (Eg - \$1 per run). At the end of your competition, Scores 4 A Cause will get in touch with how many runs were scored and process their pledges into donations. Thank you for supporting Scores 4 A Cause and HeartKids NSW.

HeartKids NSW exists because 8 babies are born every single day with Childhood Heart Disease and sadly every week 4 precious lives are lost. HeartKids supports these children and their families by providing financial assistance, peer connections and we fund research to unlock the mysteries of this devastating disease.

**Your support through Scores 4 A Cause will help ensure much needed support for the 1 in 100 babies born with this heartbreaking disease. Thank you! Find out more at [www.scores4acause.com](http://www.scores4acause.com)**
